AB 1437 – Modernizing Regulations

By Assemblyman Patterson & Principal Author Senator Scott Wiener

- **Health and Safety Code Section 1569.23** would be changed to allow licensees to forgo an additional Initial Certification Training Program (ICTP) if they are a current licensed administrator who has kept up with their continuing education requirements when adding a new care home later than five years since the licensee last completed an ICTP.
- **Health and Safety Code Section 1569.17** would be changed so that a licensee is not required to transfer criminal clearance when an employee of the licensee moves to another of the licensee's facilities.
