Dear Ms. Wasdyke,

It is my honor to write this letter of congratulations for 6beds in honor of their 3<sup>rd</sup> anniversary. I witnessed first-hand the commitment and dedication your team has to serving your clients when we worked together on the sleep credit bill, SB 1245 in 2016.

We share the belief that it is vital that laws do not create unjust and burdensome regulations that inhibit the good work of small, home-like settings. California benefits greatly from 6Beds' commitment to advocating for safe and affordable housing and caregiving for our frail elderly, the developmentally disabled and those with mental illness.

Thank you for your tireless advocacy efforts to better the lives of those in need. Please feel free to contact my office if I can assist you in your mission.

Sincerely,

Dear Ms. Wasdyke:

I am honored to congratulate you on the 3<sup>rd</sup> anniversary of 6Beds, Inc.'s founding and on your tireless advocacy on behalf of residential care providers and the Californians they serve.

As the first residential care provider-based organization in California's history, 6Beds, Inc. has been a vocal and strong political force since your founding three years ago. Your organization played a critical role in bringing state and federal labor agencies together to offer joint training on state and federal labor laws to the residential care industry.

I would also like to congratulate you on sponsoring your first bill, AB 1437 (Patterson). AB 1437 will modernize the Health and Safety Code to reduce the administrative burden on residential care providers. I was pleased to support the bill as it passed out of the Assembly with unanimous, bipartisan support.

Thank you for your diligence and work on these incredibly important issues. With all that 6Beds, Inc. has accomplished in such a short time I look forward to your continued work making quality residential care more affordable and accessible for all Californians.

Sincerely,

Dear Friends:

It is with great pleasure that I write this letter in commemoration of the 3rd anniversary of 6Beds, Inc. Over the past three years, I have had the privilege to work with your organization extensively on issues relating to elder care referral agencies.

It is quite evident that 6Beds, Inc. has the utmost passion for protecting our senior population, which is one of our most vulnerable. Although lack of oversight in the elder care industry has provided ample opportunity to misguide and harm them, 6Beds, Inc. has remained vigilant in ensuring that they are treated equitably and receive the best care possible.

Thank you for all you do in protecting the lives of our seniors. Please do not hesitate to contact my office if I can ever be of assistance.

Sincerely,
