Dear Colleagues,

On behalf of 6Beds' Board of Directors and Officers, I thank and congratulate you on your commitment to support 6Beds, Inc. As California's premiere residential-care-based organization, 6Beds represents both the economic and political interests of care home owners—where it matters most—at the State Capitol. Your continued solidarity, compassion and determination to serve and protect our elderly, the developmentally disabled and those with mental illness serve as the bedrock of our organization and of our industry.

We come together this evening, as we have in the past two years, with profound gratitude to honor and celebrate those who have helped to advance our cause and whose vital contributions and dedication continue to shape the political and economic landscape of our industry. That being said, we thank **Assemblyman Jim Patterson** (R-Fresno) and **Senator Scott Wiener** (D-San Francisco) for drafting and co-authoring **Assembly Bill 1437, Modernizing Regulations**, 6Beds' first ever sponsored bill. If passed, AB 1437 will allow certified administrators to apply to open up new facilities without having to undergo the initial certification training program after five years of licensure. Moreover, AB 1437 will allow licensees to move already cleared employees in one of their respective facilities to another, without having to transfer paperwork with the state. Both changes will help to streamline how we do business.

We thank the many community leaders who believe in and support our cause. Through their endorsements, our cause is made exponentially stronger and our influence more vital to our industry. They are **Senator Joel Anderson** (R-San Diego), **Assemblyman Rob Bonta** (D-Alameda), **Assemblyman Ian Calderon** (D-Los Angeles), **Senator Tony Mendoza** (D-Los Angeles) and **Senator Janet Nguyen** (R-Los Angeles).

We thank our lobbyists, **Roxanne Gould** and **Robert Naylor** and in-house counsel, **Roberta Mendonca** whose astute guidance and influence continue to pave the road for 6Beds' most important advocacy work. We thank the professionals who help power 6Beds' operational cogs. They are **Ferdinand Ebio** (Chief of IT and Multimedia) and **Shirley Tupaz** (Bookkeeper).

Last, but by no means the least, we thank all of our tireless volunteer board members, officers and leaders, whose will and grit, continue to move mountains for us all. They are **George Kutnerian, Ron Simpson, Cyndy Minery, Bruce Winstead, Ines Otbo, Dorie Paniza, Nestor Uy, Olivia Deanda, Angie Marinda, Lillie Mauricio, Emily Marquez, Dr. Carmen Bujor, Dr. Don Turner, Dellie and Archie Punla, Julie Arzadon, Del Pardo, Leni Lacap, Reshema Hollinsworth** and the countless many who have shared their time and resources.

Since 6Beds inception in July of 2014, we have (1) *united* our colleagues throughout California under one booming voice, (2) *protected* our conviction to serve the residential care industry and (3) now work to *advance* our industry practice by modernizing how we do business. As we look to the future, I am confident that together, through 6Beds, we will have the machinery and the willpower to overcome whatever challenges and roadblocks that lay ahead to *Grow the 6!* Where once we stood alone in silence, today, we stand mightily together in solidarity.

Sincerely,

Gina Wasdyke, MBA

Dear Ms. Wasdyke:

I am honored to congratulate you on the 3rd anniversary of 6Beds, Inc.'s founding and on your tireless advocacy on behalf of residential care providers and the Californians they serve.

As the first residential care provider-based organization in California's history, 6Beds, Inc. has been a vocal and strong political force since your founding three years ago. Your organization played a critical role in bringing state and federal labor agencies together to offer joint training on state and federal labor laws to the residential care industry.

I would also like to congratulate you on sponsoring your first bill, AB 1437 (Patterson). AB 1437 will modernize the Health and Safety Code to reduce the administrative burden on residential care providers. I was pleased to support the bill as it passed out of the Assembly with unanimous, bipartisan support.

Thank you for your diligence and work on these incredibly important issues. With all that 6Beds, Inc. has accomplished in such a short time I look forward to your continued work making quality residential care more affordable and accessible for all Californians.

Sincerely,

Ian C. Calderon

Dear Ms. Wasdyke,

It is my honor to write this letter of congratulations for 6beds in honor of their 3rd anniversary. I witnessed first-hand the commitment and dedication your team has to serving your clients when we worked together on the sleep credit bill, SB 1245 in 2016.

We share the belief that it is vital that laws do not create unjust and burdensome regulations that inhibit the good work of small, home-like settings. California benefits greatly from 6Beds' commitment to advocating for safe and affordable housing and caregiving for our frail elderly, the developmentally disabled and those with mental illness.

Thank you for your tireless advocacy efforts to better the lives of those in need. Please feel free to contact my office if I can assist you in your mission.

Sincerely,

Dear Friends:

It is with great pleasure that I write this letter in commemoration of the 3rd anniversary of 6Beds, Inc. Over the past three years, I have had the privilege to work with your organization extensively on issues relating to elder care referral agencies.

It is quite evident that 6Beds, Inc. has the utmost passion for protecting our senior population, which is one of our most vulnerable. Although lack of oversight in the elder care industry has provided ample opportunity to misguide and harm them, 6Beds, Inc. has remained vigilant in ensuring that they are treated equitably and receive the best care possible.

Thank you for all you do in protecting the lives of our seniors. Please do not hesitate to contact my office if I can ever be of assistance.

"Mom was "lost" at a larger assisted living facility. When she came to Granny's Place, she received the individual care and attention that allowed her to thrive. For the first time, I felt that I had a "true partner" in caring for Mom – caregivers and management that cared as much about the quality of Mom's life as I did. I spent a great deal of time at Granny's Place IV, and they always made me feel welcome. There's something magical about the caregivers at Granny's – they give excellent care, respect, and even love to those in their care. I will be eternally grateful." – Jan S.

Austin Drugs takes the headache out of medication management, freeing today's increasingly tasked, long-term care staff to focus on quality care for their residents.

"Austin Drugs makes things so easy! They do automatic refills, call doctors and insurance agents for me. And when I call, I don't have to explain myself to more than one person because they know my name, my clients, and routine medications. Very personable!"

"I love that I can get someone to come over to my facility and make sure everything is okay. They make sure my medications are securely stored, provide me the supplies that I need, and help me stay in compliance."

"When I first switched to Austin Drugs, our families were worried about the costs of their medications. Not only were they able to match costs, but they provided our staff with value-added services that helped us focus more attention on the quality care our residents deserve."
