with ELDERCARE TRAINING ACADEMY

Register Below for Classes in May through November 2018

Dave Wertzberger, BBA, Eldercare Training Academy Vendor #2000065-740-2 (RCFEs), 735-2 (ARFs)

Course Summary

Designed for RCFE/ARF administrators to learn the best approach to develop caregiver safety training to reduce the cost of insurance.

Learn how to use alternative dispute resolution to avoid lawsuits and costly disruptions. Also, understand how to keep insurance costs low by using safety procedures recommended by insurance companies.

Course Objectives

Participants will learn:

- 1) Risk exposures in a residential care setting
- 2) How to develop a risk management plan for a residential care facility
- 3) Proactive tools to reduce exposure to risk and liability
- 4) The best business practices to protect residents, families, and staff
- 5) How to avoid serious mistakes operating and managing a residential care facility

Insurance Insights

Bring your current insurance documents for a quick review and advice after class.

“Mr. Wertzberger is such a very nice and professional gentleman. There is nothing more that I could ask for more than to have someone like your company to be so helpful and diligent... Please accept my sincere thanks and appreciation for all that you do.”

Lani Gallardo, North Hills, CA.
