COMMUNITY CARE EXPANSION (CCE) PROGRAM

California is experiencing shortage in the adult and senior care facilities both Adult Residential Facilities (ARF) and Residential Care Facilities for the Elderly (RCFE) that offer services to SSI/SSP recipient/s.

- The CCE program, established by AB 172 (Chapter 20, Statutes of 2021), provides \$805M to fund the acquisition, construction, and rehabilitation of adult and senior care facilities that serve applicants and recipients of Social Security Income (SSI) including individuals who are at risk of or experiencing homelessness and those who have behavioral health conditions.
- CCE Program aims to expand the State's housing and care for seniors, adults with disabilities, and people with behavioral health conditions, to ensure better treatment outcomes and prevent the cycle of homelessness or unnecessary institutionalization.
